Kids Face Coverings

Kids multi-layered fabric face covering with disposable 5 layer filter that fits securely inside
Multi-layered fabrics: Outside layer: Polyester | 2nd layer: Spun Bonded | 3rd layer: Cotton
Flexible nose bridge offers a comfortable and snug fit | Machine washable and reusable

Filters include these 5 layers

Kids face coverings do not include adjusters for elastic ear bands as these small parts could pose a choking hazard. If elastic bands are too long, adjust length by knotting the bands.
